

ASK MONEY FOR NEW SCHOOL PLANS

The Permanent Building Committee has inserted an article in the warrant for the Annual Town Meeting, asking for a sum of money (\$10,000, understood) for the preparation of plans for a new Intermediate School. The article was one of the 56 signed by the Selectmen Monday evening, and included in this week's issue of the Town Crier. The new school, site as yet unnamed, will be for children above grade six, and it is intended as one of three intermediate schools, eventually to be built in Wilming-

ton according to the projected school plans, 1960-1970. Other articles in the warrant ask for a confirmation of the original vote, in October of 1956, whereby the town voted for the need for Urban Renewal. Two other articles, voted in the same special town meeting are also being asked to be confirmed. One of these was the purchase of the land in No. Wilmington, from the Signore Development, for a future school site, and the other the purchase of a truck for the highway department.

JEHOVAH'S WITNESSES TO START CONSTRUCTION ON APRIL 1ST

The Wilmington Congregation of Jehovah's Witnesses has approved a resolution approving the plans for their new Kingdom Hall, to be erected at the corner of Bridge Lane and Brand Avenue.

Construction of the new House of Worship is expected to begin on April 1st.

Robert S. Jones, presiding minister of the Wilmington Congregation of Jehovah's Witnesses has stated that "Wilmington has kept pace with the earth-wide expansion of Jehovah's Witnesses. Around the world our ministers have doubt-

led in the last 12 years. Here in Wilmington we have increased 50% since our congregation was founded in November, 1958. We are anxious to have our New Kingdom Hall ready to serve the good-will people of our territory, which includes not only Wilmington, but Woburn, Winchester, Burlington, and sections of Tewksbury and Billerica."

The new Kingdom Hall will be a one-story concrete block building with attractive modern lines. It will feature a walnut-paneled library and foyer with beamed ceilings. The main Auditorium will be capable of seating 150 persons.

PARKING LOT FOR SILVER LAKE SHOPPERS PROPOSED BY LOUIS HAILSON

A proposal by Louis Hailson, proprietor of the Silver Lake Drug Store, that an area adjacent to his drugstore be made into a parking lot for shoppers has met a favorable response with the Board of Selectmen.

Selectman Donald Kidder, Monday night relayed the proposal to the Selectmen, saying that Mr. Hailson has already done part of the preliminary work in "checking out" with the State Department of Public Works.

It would be necessary, he reported, to move a telephone pole, the traffic light, and a hydrant.

FLASHING LIGHTS PROPOSED FOR HIGH STREET INTERSECTION

A request is to be made to the State Department of Public Works for the installation of a flashing red and yellow light at the corner of High St and Middlesex Avenue, on the recently reconstructed Route 62.

Selectman Charles H. Black made the suggestion Monday evening, during the Selectmen meeting, noting that the neighborhood felt that the DPW had not done enough to stop accidents.

The Board agreed to his suggestion, with Chairman Kidder observing that "the layout is one of the worst I have ever seen".

JEANNE ASHWORTH IN OLYMPICS

THIS WEEKEND

JEANNE TO SKATE THIS WEEKEND

Jeanne Ashworth, 117 Church Street, the only woman on the US Olympic Women's Speed Skating Team to come from East of the Mississippi, will be taking part in the Olympic Races, in Squaw Valley, this weekend.

Six American girls, whose principal contestants are six girls from Russia, will compete in the 500, 1000, 1500 and 3000 meter distances for World Olympic Championships.

When Jeanne won her place in the Olympic team, last fall, in St Paul, it was as the 1000 meter skater, but Wilmington Skating Club members understand that she may appear in any or all of the other three events.

Jeanne, in the past week, has skated the 500 meter distance in 46.8 seconds, on what was admitted to be poor ice, and the 1500 meter distance in 2 minutes 50.1 seconds, also on poor ice.

World Records

The World Olympic Records for the four distances are:

500 meters 45.6 seconds
1000 meters 1 min. 33.4 sec.

'booby-traps' has led to the introduction of an article for the coming Town Meeting which seeks to correct the By-Laws.)

The payment to be made this week should have been made about a month ago.

Special Act

In order to validate the actions of the Special Town Meeting of last July, a special bill was introduced into the Legislature by Rep. Frank Tanner, of Reading.

This Bill, H 2604, was passed, and was signed by Governor Foster Furcolo last Thursday, and completely validates the acts and proceedings of the Special Town Meeting of July 1, 1959.

A sale of temporary bonds is to be held this week, it is understood, to raise the money

1500 meters 2 min. 20.5 sec.
3000 meters 5 min. 13.8 sec.

Some Television

While the definite program for television has not been announced, it has been stated that the women's 500 meter event is to be televised, and that others may be.

500 Meter Saturday Noon

The 500 meter event, the first in which Jeanne could appear, is scheduled for 9 am Saturday, Pacific Coast Time.

The 1500 meter event will be held between 9 and 11 am on Feb. 21st.

The 1000 meter event will be held on Feb 22nd., between 9 and 10:30 am.

Finally, the 3000 meter event is to be on Feb. 23rd, between the hours of 9 and 11:30 am.

For Wilmington, add three hours to the above times. Thus 9 am is at 12:00 noon, in Wilmington.)

for the payment to Conti & Donahue. The sale will be held by the treasurer, Mrs. Grace Tilley, with the approval of the Board of Selectmen.

Sale of the permanent bonds, for the construction of the Boutwell School will be held at a later date.

AINSWORTH'S STATUS AS TOWN CONSTABLE TO BE CHECKED

An apparent misunderstanding by the Board of Selectmen is to be the subject of a check by Town Counsel Philip Buzzell. At the time that former Chief of Police Harry Ainsworth retired as Probation Officer of Woburn Court the Selectmen understood that he would be unable to hold any office, because of his retired status.

Selectman Charles Black, Monday night, said that he understood this to be an error, and that Mr. Ainsworth can still be Constable of Wilmington. Mr. Buzzell will be asked to rule on the question.

THE EAGLE PATROL OF TROOP 56

One of the many troops of Boy Scouts in Wilmington to celebrate Boy Scout Week was Troop 56 (Congregational Church). Above are the members of the Eagle Patrol, as they appeared at their meeting last Friday. In the picture are Patrol Leader Larry Reading, and Scouts Ralph Poloian, Clifford Southwayd, Richard Catter, James Haas, John Preble, Philip Van Steensburg and Edward McInnis.

SELECTMEN SEND TOWN'S BEST WISHES TO JEANNE

Jeanne Ashworth, Olympic Skating Star, now at Squaw Valley in California, Wednesday was the recipient of a telegram from the Board of Selectmen of Wilmington. The telegram read:

"THE TOWN OF WILMINGTON HAS BEEN JUSTLY PROUD OF YOUR OUT-

STANDING RECORD AND MANY ACCOMPLISHMENTS, AND HAS FOLLOWED THEM CLOSELY IN THE PAST YEARS WITH A GREAT DEAL OF PRIDE.

NOW, ON THE EVE OF YOUR REPRESENTING OUR UNITED STATES IN THE WINTER OLYMPICS, WE PRAY THAT YOUR FINEST DREAMS MAY COME TRUE. WE ARE ALL WITH YOU.

PUBLIC INFORMATION

Not since Dean C. Cushing left for the city
of Gloucester, leaving behind him his "Gloucester-
ized Budget" has there been less informa-
tion in Wilmington at this time of the year
concerning the budget of the coming Town Meet-
ing.

Last week we reported that the Chairman of
the Board of Selectmen and the Chairman of the
Finance Committee were the responsible persons.
This was on a direct quote from an individual
in the Town Hall, and has been directly refuted
by Mr. Curtin, Chairman of the Finance Commit-
tee.

The blackout, apparently, is from another
source. Whatever the source it is not fair to
the people of Wilmington.

Neither is it fair to the candidates who do
not happen to hold political office. They are
unable to discuss facts and figures, because
none are available. As such the "blackout" has
at least a slight political connotation.

The Town Budget, by law, must be submitted
to the Finance Committee on Dec. 20th., at
which time must also be submitted the estimates
of revenue, for the coming year, by the Town
Manager.

This was done, and automatically they became
public records.

But these public records are being kept un-
der lock and key.

The excuse given is that the figures are not
yet complete.

Everybody knows that. The figures of December
20th are, of course, incomplete.

But they are public property, and the public
is entitled to know them. Good intentions about
a "complete set of figures" are fine, but they
do not answer the law.

COULD BE INTERESTING

Articles 28 and 29, of the Warrant for the
Annual Town Meeting could prove interesting, -
and on the other hand they may turn out to be
just so many duds.

Some few weeks ago the Wilmington Housing
Authority was searching for certain legal con-
firmation, in relation to the Urban Renewal
Project. At that time it was discovered that
some of our many "booby traps" as the Town
Counsel calls them, had prevailed during the
Special Town Meeting of October 29, 1956, and
that consequently the proceedings of that meet-
ing had no legal status.

In order to clarify the situation the Wil-
mington Housing Authority asked the Selectmen
to have articles in the annual meeting of this
year, confirming the action of the town on that
day in October, 1956.

Subsequent to that, it is our understanding,
the Housing Authority found out that they did
not need that legal confirmation, because hav-
ing been constituted since about 1948 they had
the power themselves to declare the need that
was voted back in 1956.

If such is the case the articles of that
meeting were not needed, nor are they needed to
be confirmed, now, in March of 1960.

But, if such is not the case, the story
conceivably could have a radical change or two,
come this March.

In the first place the two articles, if they

FIGURES

The Census taker just arrived

Likewise, pessimistics.

are valid, constitute an opportunity for some
people to possibly overthrow the Urban Renewal
project.

All it needs is a simple majority to do this
We can imagine the pandemonium, if the articles
are legal, and some busy-bodies get busy.

Perhaps that is just so much imagination -
we can't tell at the moment - but there is
another possibility too --

Since Wilmington voted for Urban Renewal
there has been a change in the State Laws.

Before the change it was practically manda-
tory that Urban Renewal Projects be run by the
Housing Authority.

Since the change the law reads that Urban
Renewal be run by a separate Development Au-
thority.

Just suppose, for an instant, that the vote
is necessary. Then suppose that the town votes
in favor.

Then the question resolves itself - If the
town votes for Urban Renewal in March of 1960
is that vote according to the new laws, or ac-
cording to the laws that prevailed in 1956?

In other words, all in the "just supposing"
class, it might be theoretically possible for
the entire Urban Renewal Project to be over-
turned, in the coming town meeting.

Anyway, it's a subject for speculation, if
nothing else. We imagine Town Counsel Philip
Buzzell will have the answers.

EASTERN MASS SAY BUS ROUTE EXTENSION NOT FEASIBLE

In a letter read in the Se-
lectmen's Meeting Monday even-
ing, The Eastern Massachusetts
Street Railway reported that
they felt extension of the Wo-
burn-Medford bus line to Wil-
mington Square via Eames, Wo-
burn, Wildwood & Church Sts.
would not be feasible.

A letter from C. K. Gibson of
the Eastern Mass said that a
survey showed that such a

route could not meet expenses.
Gibson told the Selectmen that
all previous attempts at such
a route had failed, and that
the company felt "without a
guarantee losses would result"

Charles H. Black, veteran
Selectman, who had made the
original proposal, suggested
that the matter be investiga-
ted still further. After some
discussion the Selectmen
agreed to Mr. Black's sugges-
tion.

TOWN NOTES

Look For The Door

In crime detective type of
stories the cop always has a
key, formerly the property of
a beautiful blonde, and he has
to find the door for that key.

With Chief of Police Paul
Lynch it is slightly different
- he was given three keys,
last Thursday, and he knows
which doors they will fit -
but the doors aren't there
yet!

The keys are the Master Keys
for the new Police Station.
All Paul has to do is to wait
until the carpenter's hang
those doors, then he can use
the keys!

Jeanne

Naturally every resident of
Wilmington is extremely sensi-
tive, these days, to stories
and pictures about Jeanne.

We are, of course, referring
to magazines, and other items
of a national import.

Jeanne is only one of the 800
contestants who are taking
part in the Olympics, but a
Wilmington resident, of course
believes that she should be
The Featured Star, in every
publication.

And Wilmington residents, of
course, are greatly disap-
pointed when they pick up a
National magazine, and find a
story about the Winter Olympic
Races, and not even a mention
of Jeanne.

Not to mention not even a
picture.

So far the only two magazines
with stories about her have
been The American Girl, and
Yankee.

So what's it going to be like
after next week!

The Squelch

The Rotary Club of Wilmington
has been feeling pretty cocky
with 22 meetings under its
belt in which every member has
either attended, or "made up"
by attending a meeting some-
where else within the week.

So Doc Foster, Past President
and better known in Wilmington
for his Charles River Labora-
tory, felt proud enough to get
up and boast about the Wilming-
ton club, while visiting in
Rio Hato, in Puerto Rico, last
week.

Imagine how Doc felt, when a
visitor from a California club
got up and reported that the
Californians were now on their
second year of perfect atten-
dance!

A Different Gift

Ordinarily, when people make
a donation to a public library
it consists of something in
the line of books, or perhaps
a picture of some notable.

The Friends of the Library
have just made a donation
which is a little different,
if we say so ourselves. It is
12 chairs, for the use of the
little children, during the
Story Hour - folding chairs of
metal, 4 red, 4 blue and 4
yellow.

Very cute.

Slightly Wrong

The curve, near Lubbers Brook, on Glen Road, scene of numerous accidents, has recently seen a few reflectors being located their, on trees and telephone posts.

We took occasion the other evening to compliment Jimmy White, Superintendent of Highways, for placing the reflectors there.

It seems we were wrong. Jimmy White just looked at us, with a blank expression.

Mrs. Betty Wilson, who lives near the curve, volunteered that she had put the reflectors up. She got tired, she explained, of having motorists assault the trees and telephone pole, all night long.

Another Exhibition Coming

For the past two weeks passersby in Wilmington Square have been ogling into the Wilmington Center Pharmacy Window, looking over the exhibit of Chief Ainsworth's many years of Police Work.

After the first week Mrs. Woodside re-arranged the exhibit, and everybody stopped all over again, to see things they had missed the first time.

Now the Chief's exhibits are gone, and the window is bare.

Mrs. Woodside says she is now considering an offer from Capt. George S. Hathaway, USN, retired medical officer, who has many things which belonged to his grandfather, Dr. Silas Brown.

Dr. Brown, (the second Doctor Brown, in Wilmington - no relative to the first one) lived in the big house at the corner of Woburn and Salem St. back in the 1820's. We look forward to seeing the exhibit.

Political Meetings

Things have been relatively quiet, on the political front, but Political Meetings are about to start.

At the moment we know of three, one of the Shawsheen Improvement Association, on Feb. 24th., at 95 Nichols St. one by the Hathaway Acres Association, on Feb. 25th., at the McInnes home, on Gunderson Road, and the Baldwin Club meeting, which is to be, we believe, the Thursday before Election Day.

100% OPPOSITION TO GLEN ROAD PROPOSALS

Residents of Glen Road, between Main Street and Harnden Street turned out 100%, Tuesday evening, to attend a hearing in the Town Hall, on the proposals of the Board of Selectmen to widen the street to 40 feet.

The proposal was intended to make the road safer for children on their way to and from the Glen Road School.

Every family on the street

opposed the idea. They told the Selectmen that the trouble was with cars to and from work which used Glen Road and Wildwood Streets as a cut-off, to avoid Wilmington Square.

Two alternative proposals were made, the first being to stop traffic between Miller Road and Harnden Street from one hour before school to two hours after school, and the other alternative being to make the road one way, northbound in the morning and south bound in the afternoon.

Bill Curtin, Chairman of the Finance Committee, told the Selectmen that he might not

object to a sidewalk, but none of the other residents seemed to even want that.

They like the road the way it is, other than for the need of a sign, warning about the curve near Lubbers Brook.

ST DOROTHY'S BACK IN STRIDE AND WINNING BASKET BALL GAMES

The girls of St. Dorothy's CYO basketball team are back in their stride, winning games after their one game loss to Sacred Heart, of Lowell.

The local girls have only that one loss to chalk up, in two years of play.

Last Thursday, playing in the Shawsheen School, in South Tewksbury the girls defeated St. Johns of North Chelmsford, 92 to 65, in a game that was led by the Sullivan girls.

Ruthie Sullivan scored 46 of the points, and Marie Sullivan scored 36. The team was still missing the services of Marion Dawson, guard, but the other players were all back in the lineup.

Sunday afternoon, in the Daley School, in Lowell, the St. Dorothy's girls defeated the St. Peters girls 59 to 37.

Nancy Finnerty of St. Peters led the scoring for her team with 23 points, while her sis-

ter Marie scored 8.

Ruthie Sullivan led the local girls, with 28 points while Marie Sullivan scored 16.

Virginia Dawson, playing her best game at forward, scored 12 points. Virginia, who formerly played guard, is coming along as a forward, in a shuffle of the team, caused by resignations.

Pat Sullivan, Maureen Quinn, and Virginia Abbot, playing guards, in the St. Peters game exhibited a very good game while Peggy Whelan and Betty Patterson, playing forward also chipped in with a fine performance.

LETTER

February 16, 1960

Mr. Larz Neilson
Town Crier
Wilmington, Mass.

Dear Larz & Town Crier Readers
In your February 4th issue there is an interesting letter signed by Bernice A. Butler on the subject of the Sales Tax. It is a constructive and intelligently written letter which comments on some of the aspects of the Sales Tax question. This is admittedly a complex problem, and there are many arguments that could be given contra to some of the matters she discussed.

The primary need for the Sales Tax lies in the fact that Massachusetts has a serious tax problem which is related to its over-all income; there is a critical need for tax reform in the state. Ways must be found whereby the tax base can be broadened, that is taxes must be spread over a broader area in order to give relief where it is needed. Real estate is one area where help is long overdue, and the business community is another.

This is not my point in writing, however, as I wish to comment on something she says toward the end of the letter

where she expresses her belief that the Sales Tax 'has been written for the most part by politicians desiring to make an impression, and business concerns with large expensive plants who would benefit most'. The purpose of this letter is to comment on the remark that 'business concerns with large expensive plants' would benefit. I think I can say with

authority that business people have had practically nothing to do with the writing of the Sales Tax.

It is a little known and a too little respected fact that the business concerns in the State of Massachusetts are in a serious struggle for survival. We are at a severe disadvantage in being located in a corner of the country with the center of population moving farther away from us each year. Not only are Massachusetts manufacturers remotely situated regarding the market, but being on the sea coast we can only ship to a market comprising half a circle at best.

There is a great public misconception as to the amount of money the average business makes as a profit. People see the results of large corporations quoted in the newspapers. Those with spectacular earnings make the headlines and everybody thinks that all businesses profit in the same manner. Some large corporations do, but people do not realize that Massachusetts is predominately an industrial state of small companies.

Massachusetts industry already carries the burden of the highest corporate taxes of any state in the union, we support a system of Workmen's Compensation and Unemployment Security benefits which are the

most generous and most expensive of any state in the union. We businessmen do not object to these things as being desirable, but we do say that where we are at an economic disadvantage we are hardly the state that should be in the forefront of all states in these matters.

So my point is to try to make clear that business in this state NEEDS some relief. We need greater understanding from the people of Massachusetts who actually stand to benefit or lose, depending on how successful we business people are, because Massachusetts is predominately an industrial state. If our industries and businesses are not prosperous then we cannot offer very good jobs. How many people do you know who depend on businesses for their livelihood?

Your readers hear much, today about businessmen's complaints regarding the business climate and it is this that I emphasize here. We businessmen see, and know, that we are fighting a losing battle thus far because year by year fewer people are employed in Massachusetts industry. It is a fact that Massachusetts has lost 30,000 jobs since 1947, we feel we are fighting alone because the Legislature continually places more burdens upon us tax wise. The general attitude of the people as expressed if I understand your correspondent correctly, by your readers, indicates that they think business is merely self-seeking. Nothing could be farther from the truth.

In today's very competitive conditions, with foreign competition only beginning to make itself felt, the successful operation of a business is an exceedingly difficult assignment. To pay people a

good wage, to provide reasonable social benefits, to price a product right in order to gain a proper share of the market, to pay out 60% of every dollar we make in cash to the government in income taxes, to carry our proper share of the local tax burden, to keep our plants looking neat and a credit to the community, to participate part time in local and public affairs and to do the many other things that are expected of businessmen, just as a matter of fact, take a

great deal of doing!

Businessmen are men and not boys, nor do we expect to 'benefit' or to obtain special privileges, but few people realize that we have a really tough job to do and we do invite, and even plead for, the public to take an open-minded and constructive look at our dilemma and if they agree we need help then to co-operate with us in our effort to secure it.

Cordially,
Don S. Greer

THE OLD HARRIMAN TANNERY GANG

Some of the workmen who were in Harriman's Tannery during its heyday can be seen in this old tin-type, found in the effects of the late William Durkee.

Wearing a W on his sweater is Henry Mullarky still a resident of Middlesex Avenue. Beside Henry is J. William Durkee, and the man with the straw hat with his arm on Durkee is his cousin, J. Ellis Doucette, now a resident of Nabnasset.

Behind J. Elley is Bill Baxter, he who used to go on hunting expeditions with Martin Holt.

In center, front, is James Crowhurst, once a Worshipful Master of the Wilmington Lodge of Masi

Masons. Behind him, wearing a hat is Arthur Surette.

The man with the high forehead, and heavy mustache is J. Arthut Taylor, who lived where the Young family now lives, on Middlesex Ave. Beside him, on a chair, is Caleb Harriman, as he looked in his prime.

In the rear, far left, the man is probably Arthur Blake, bookkeeper, while in the center wearing a derby is Jim Doyle, who lived in the big white house on Federal Hill.

ST DOROTHY'S DEFEATS ST MARYS IN OVERTIME GAME

In a game that went into overtime, Monday evening, the St. Dorothy's CYO girls defeated the team that defeated them a year ago - St. Marys' of Chelmsford.

The final score after a two minute overtime period was 38 to 37 in favor of St. Dorothy's. The game was played at Chelmsford.

St. Dorothy's girls were never able to get a sustained offense underway during the game.

They jumped off to a four point lead at the start, and ran into stiff opposition immediately, with St. Marys playing a fine defensive game.

The game was in St. Dorothy's hands most of the time, but only by a margin. When the final whistle blew the score was tied, 36 to 36.

St Marys succeeded in making a free throw, in the overtime period, compared to a field goal, and a free throw, by St. Dorothy's.

GIRL SCOUT WEEK

Plans were made for Girl Scout Week, March 6-12 at a meeting of leaders on Monday at the home of Mrs William K. Widger, Jr. With the cooperation of the local merchants each troop would like to set up window displays to portray Girl Scouting to the community in its many phases. The possibility of holding a square dance with Boy Scouts as guests to accentuate Arts and Crafts day of Girl Scout Week is being investigated.

The district rally to be held in May was decided to be in the form of a Mother-Daughter banquet, resuming a custom of past years. The annual banquet was discontinued when there were so many girls involved that it became impossible to accommodate so large a group in the facilities available at the time. Since other plans are being made for the Brownies to hold 'Out-Door-Days' they will not be included in the banquet.

Another meeting will be held on February 29 at which time the material for the cookie sale will be distributed and more detailed plans for future activities in Wilmington will be made.

Mrs John Balch and Mrs Fred Chisholm were appointed to a committee to nominate a Neighborhood Chairman for the center area of Wilmington.

NEW TAXI LICENSES MAY BE ISSUED BY SELECTMEN

The possibility of two new taxi licenses being issued by the Board of Selectmen was discussed Monday night, in the Selectmen's meeting.

Two Wilmington residents have been turned down, in recent months, because of the regulations adopted about two years ago. At that time it was decided not to issue licenses to new operators until the population of Wilmington had reached 15,001.

Selectman Donald Kidder, Monday night, noted the fact that two taxi companies have apparently failed to renew their licenses, and suggested that others could have the licenses instead.

The matter was tabled for at least two weeks (no Selectmen's Meeting next Monday), pending further investigation.
